Advent Health Shawnee Mission is our 2020 Presenting Sponsor, whose generous support and that of many other community partners, are making possible a hope-filled future for the residents of Welcome House. We continue to expand and enhance our services while engaging people, organizations and partners from all walks of our community. Here's why your support is so important:

When you Swing for Recovery, you're in for way more than a day of golf, sunshine, and friends.

- You're providing hope-filled support to Welcome House, one of our community's leading providers of residential care and rehabilitation for men addicted to drugs and/or alcohol;
- You're supporting our comprehensive Core Recovery Program to meet the unique and holistic needs of each resident in his journey of recovery;
- You're helping Welcome House grow and develop its capacity to deliver exceptional care to more men in our community.

Your support truly makes a difference! Even with each resident contributing his share, there remain unmet needs integral to our success. Your sponsorship supports our Core Recovery Program, employment assistance, Welcome House University, drug/alcohol testing equipment and supplies, recovery materials, transportation assistance, and facility and equipment maintenance. This generosity allows for our continued growth and expanded services.

You're going to enjoy an exceptional player experience with unique contests, prizes, and fabulous food. Best of all, you will make a meaningful difference in the lives of our residents and their families. Thank you for your consideration!

Sincerely,

Jamie Boyle
Welcome House President/CEO

Ryan Shriver
Tournament Chair
