Dear Friend of Welcome House -

It's an exciting time at Welcome House - we're celebrating our 50th Anniversary!

More than an important milestone, it's an opportunity to thank our community for helping Welcome House make an immeasurable impact on so many lives. Since 1971, we've made a healthy difference in Kansas City through our residential recovery programs, serving more than 18,000 men challenged by alcohol and/or drug addiction. Your caring and generosity have made it possible for men to seek brighter, healthier, more productive lives in sobriety!

We invite you to join us in celebrating our hope-filled mission at the 8th Annual Welcome House Breakfast. Whether you join us in person or through our virtual platform, be prepared for a high-energy, inspiring event featuring world-champion boxing icon Sugar Ray Leonard and Special Guest, the legendary Tom Watson.

As always, our generous sponsors have supported Welcome House through phenomenal growth and development in recent years. As you consider sponsorship of this event, please know that:

- you're directly supporting recovery at Welcome House, one of our community's leading programs for residential care and rehabilitation for men addicted to drugs and/or alcohol;
- you're advancing our comprehensive Core Recovery Program to meet the unique and holistic needs of each resident in his journey of recovery;
- you're expanding our capacity to deliver exceptional care to more men in our community. As we face reduced occupancy requirements due to COVID protocols (which reduces program fees paid by residents), your support is more important than ever!

Though each man's journey is different, our reasons for seeking recovery are the same: to make a better life for ourselves and our families by building a strong foundation in recovery. Please accept our sincerest thanks for your thoughtful consideration.

Sincerely,

Jamie Boyle, President/CEO
