WITH

CRIS CARTER

Dear Friend of Welcome House -

It's a big year for Welcome House and for our community!

In 2023, we celebrate the **10th Annual Welcome House Breakfast**, an event that has advanced our life-changing, *life-saving* work in immeasurable ways.

How is that possible? Well, it begins with kind, generous sponsors who not only support our mission financially, but serve as our greatest fans. You support our game plan - the Welcome House Recovery Program - that has impacted the lives of more than 18,000 men in our 50+ year history.

Whether you are part of Kansas City's recovery community, have been touched by the impact of addiction, or have a heart for supporting the important work of Welcome House, you're going to want to be on our team this year. **Pro Football Hall of Famer Cris Carter is our keynote guest!**

Heralded as one of the greatest wide receivers in NFL history, Carter transitioned to broadcaster, studio analyst, philanthropist, and a powerful worldwide speaker about his battle with addiction and his recovery. Get ready for a morning of inspiration in support of Welcome House!

As always, the annual breakfast is complimentary for guests to attend. We look to the generosity of sponsors who help to make our recovery program accessible to men seeking a richer, more productive life in sobriety. Please consider a sponsorship opportunity knowing that:

- you're directly supporting Welcome House, one of our community's leading programs for residential care and rehabilitation for men addicted to drugs and/or alcohol;
- you're advancing our comprehensive Core Recovery Program to meet the unique and holistic needs of each resident in his recovery experience;
- you're expanding our capacity to deliver exceptional care to even more men in our community.

From all of our as Welcome House, we thank you for your consideration!

Sincerely,

Jamie Boyle, President/CEO

Welcome House
